CONFIDENTIAL & BINDING CONTRACTUAL INSTRUMENT
FOR AUTHORIZED EZY1 PARTNERS ONLY

PART A — INTRODUCTION

1. PURPOSE OF THIS AGREEMENT

1.1 This Master Partner Agreement ("Agreement") establishes the contractual framework between EZY1 ("EZY1", "Platform", "Company", "we", "us", or "our") and any person, proprietor, partnership, company, institution, professional, merchant, retailer, service provider, healthcare provider, travel operator, transport operator, delivery partner, local business, digital service provider, artisan, vendor, contractor, agency, or other business entity ("Partner", "you", or "your") that registers, lists, or uses EZY1.

1.2 EZY1 is intended to provide a unified digital marketplace through which customers may discover, compare, contact, book, purchase from, or obtain services from participating Partners.

1.3 This Agreement is designed to comprehensively cover, among other business and service categories:

- Hospitals, clinics, doctors, nurses, physiotherapists, diagnostic laboratories, pharmacies & medical stores, and healthcare providers;
- Ambulances, patient transport, general transport, taxis, cabs, auto-rickshaws, drivers, bus operators, and logistics providers;
- Travel agencies, tour operators, tour guides, hotels, homestays, and accommodation providers;
- Restaurants, cafés, food outlets, cloud kitchens, bakeries, sweet shops, catering companies, and food delivery partners;
- Grocery stores, supermarkets, fruit & vegetable vendors, and meat/food vendors (where legally permitted);
- Toy stores, gift shops, jewellery & ornament vendors, clothing, footwear, electronics, hardware, and local market shops;
- Mechanics, automobile service providers, tyre/battery workshops, plumbers, electricians, carpenters, painters, and cleaners;
- Maids/domestic-service providers, beauty & salon providers, home-repair specialists, photographers, and event planners;
- Educational/tutoring providers, professional service consultants, software/IT developers, designers, and digital freelancers;
- Local tourist attractions, entertainment venues, cultural spots, artisans, handicraft businesses, and all lawful approved businesses.

2. DEFINITIONS

2.1 "Customer": A person or entity using EZY1 to discover, purchase, book, request, or receive products or services.

2.2 "Partner": Any business, professional, vendor, provider, institution, individual, agency, merchant, or organization accepted by EZY1.

2.3 "Partner Account": The secure digital account through which a Partner manages its EZY1 marketplace presence, inventory, bookings, and profile.

2.4 "Partner Portal": The designated web/mobile portal through which Partners manage listings, orders, bookings, products, services, payments, analytics, documents, and account settings.

2.5 “Transaction”: Any order, booking, lead, appointment, service request, delivery, purchase, payment, or other commercial interaction generated through EZY1.

2.6 “Partner Content”: Information, photographs, videos, descriptions, menus, prices, logos, documents, business information, product information, and other material supplied by the Partner.

2.7 “Regulated Partner”: A Partner operating in an industry requiring a statutory licence, registration, professional qualification, permit, certification, or government approval.

2.8 “Platform Fee”: Any fee payable to EZY1 for technology, marketplace, listing, transaction facilitation, lead generation, subscription, advertising, logistics, or related services.

PART B — RELATIONSHIP BETWEEN EZY1 AND PARTNERS

3. INDEPENDENT PARTNER RELATIONSHIP

3.1 The Partner operates as an independent business or freelance service provider.

3.2 Except where expressly agreed in writing, EZY1 does not become the Partner's employer, business partner, joint venture partner, franchisee, manufacturer, seller of Partner products, healthcare provider, transport operator, travel operator, contractor, or legal agent.

3.3 The Partner retains sole responsibility for its own business operations, employees, contractors, statutory licences, products, services, quality, taxes, and legal compliance.

3.4 Nothing in this Agreement prevents EZY1 from providing marketplace, technology, payment facilitation, discovery, advertising, logistics coordination, or ancillary services.

4. PARTNER ELIGIBILITY

4.1 To onboard and maintain active status on EZY1, the Partner must continuously meet all eligibility criteria:

- 1.** Provide true, accurate, current, and complete identity and business information;
- 2.** Be legally entitled and empowered to operate its business in its operating territory;
- 3.** Obtain and maintain all applicable mandatory licences and statutory registrations;
- 4.** Provide requested Know Your Customer (KYC) documentation and business verifications;
- 5.** Provide verified, valid banking and payment settlement details;
- 6.** Strictly comply with all applicable Indian central, state, and local laws and regulations;
- 7.** Maintain high professional, hygiene, and ethical service standards;
- 8.** Promptly disclose any material changes in business structure, licences, or ownership; and
- 9.** Strictly adhere to EZY1 platform policies, guidelines, and terms of service.

4.2 EZY1 reserves the right to decline or terminate onboarding where reasonable verification requirements are not satisfied.

PART C — ONBOARDING & VERIFICATION

5. KYC AND DOCUMENT VERIFICATION

5.1 Depending on category and industry, EZY1 may request: PAN, GSTIN, Aadhaar/Identity proof, business registration, address proof, bank mandate/cancelled cheque, professional registration, trade licence, FSSAI registration/licence, medical council registration, drug/pharmacy licence, vehicle registration (RC), commercial driving licence, tourism board permit, establishment registration, educational certificates, premises photographs, and authorization letters.

5.2 A Partner must not submit forged, altered, misleading, or expired documents under any circumstances.

6. VERIFICATION

6.1 EZY1 may verify Partner information using submitted documents, government databases where legally accessible, third-party verification agencies, customer feedback, and portal records.

6.2 Verification by EZY1 constitutes an onboarding procedural check and does not constitute a legal endorsement or guarantee of the Partner's products, services, or professional competency.

7. PARTNER PROFILE

7.1 The Partner shall maintain accurate details including: trade name, address, phone, email, operating hours, service area, inventory, pricing, availability, licences, photographs, descriptions, and cancellation/refund policies.

7.2 Materially inaccurate or misleading information may be immediately removed, corrected, or restricted by EZY1.

PART D — COMMERCIAL STRUCTURE

8. INITIAL / PILOT PHASE

8.1 EZY1 may designate an introductory period as the "Initial Phase" to support early onboarding.

8.2 During the Initial Phase, EZY1 may offer free or discounted onboarding, reduced commissions, free listings, priority visibility, promotional credits, and waived technology fees.

8.3 Initial Phase benefits are promotional and do not automatically continue indefinitely. Commercial terms shall be recorded in the Partner Commercial Schedule.

9. GROWTH PHASE

9.1 During the Growth Phase, EZY1 may introduce standard commissions, premium search visibility, sponsored ads, tiered subscriptions, lead fees, transaction fees, and advanced analytics.

9.2 Partners will be notified of applicable commercial terms via the Partner Portal or written schedule.

10. FINAL / STANDARD COMMERCIAL PHASE

10.1 The Standard Commercial Phase operates under the following structured parameters:

Commercial Item	Applicable Terms & Structure
Commission	As specified in the Partner Commercial Schedule
Platform Fee	Technology and SaaS facilitation fee as specified
Lead Fee	Applicable per verified customer lead/inquiry
Subscription	Tiered monthly or annual plans if selected
Advertising / Sponsored	Custom campaign budget as selected by Partner
Payment Processing	Gateway and interchange costs as applicable
Logistics & Delivery	Distance and weight-based rates as applicable
Cancellation Policy	Category-specific commercial adjustments
Refund Allocation	Responsibility-based deduction model
Statutory Taxes	GST, TCS, TDS as legally mandated under Indian law

11. COMMISSION CALCULATION

11.1 Commission may be computed on product value, service value, order value, booking value, lead value, or transaction value as defined in the Commercial Schedule.

12. PAYMENT AND SETTLEMENT

12.1 EZY1 will settle net partner revenues after deducting agreed commissions, platform fees, applicable taxes (TCS/TDS), partner-fault refunds, chargebacks, and authorized promotional costs.

12.2 EZY1 may temporarily withhold funds reasonably necessary to investigate suspected fraud, severe customer disputes, chargebacks, or regulatory irregularities.

13. NO GUARANTEE OF BUSINESS

13.1 EZY1 provides a digital marketplace and technological infrastructure. Unless expressly agreed in writing, EZY1 does not guarantee minimum sales, bookings, leads, revenue, or search rankings.

PART E — UNIVERSAL PARTNER OBLIGATIONS

14. GENERAL SERVICE STANDARD

14.1 Every Partner covenants to strictly adhere to the following standards:

1. Deliver exactly what is listed and represented on the platform;

2. Maintain superior merchantability, hygiene, and professional quality;
3. Promptly honour all accepted orders, bookings, and customer appointments;
4. Ensure all descriptions, specifications, and prices remain accurate;
5. Maintain realistic inventory and operating availability schedules;
6. Communicate courteously, professionally, and promptly with customers;
7. Strictly honour all disclosed pricing without unannounced surcharges;
8. Issue valid tax invoices, receipts, and bills as mandated by law;
9. Comply with all statutory, environmental, and labour laws;
10. Vigorously protect customer privacy and personal data;
11. Promptly resolve legitimate customer grievances and complaints; and
12. Fully cooperate with EZY1 in dispute and fraud investigations.

15. NO MISREPRESENTATION

15.1 Partners must not falsely claim qualifications, certifications, government approvals, medical expertise, product authenticity, fake discounts, fictitious awards, inaccurate locations, or artificial warranties.

16. PRODUCT AUTHENTICITY

16.1 Partners are strictly prohibited from selling counterfeit products, stolen goods, illegal imports, prohibited contraband, adulterated items, hazardous goods, expired products, or mislabelled items.

17. PRICE TRANSPARENCY

17.1 Partners must disclose all material charges. Demanding off-platform surcharges or bait-and-switch pricing is strictly prohibited.

18. AVAILABILITY & FULFILMENT

18.1 Partners must keep live availability updated. Repeated failure to fulfil accepted transactions may result in ranking degradation or account suspension.

19. CANCELLATIONS

19.1 Partners shall avoid unjustified cancellations. Frequent cancellations may attract penalties, reduced visibility, tier downgrades, or account suspension.

20. CUSTOMER SAFETY

20.1 Partners must implement comprehensive safety measures to safeguard customers against foreseeable risks associated with products, transport, food, home visits, or clinical procedures.

PART F — CUSTOMER DATA & PRIVACY

21. DATA PROTECTION

21.1 Customer data received through EZY1 shall be processed solely for order fulfilment, service execution, support, and statutory record-keeping.

21.2 Partners must not sell, rent, publish, or commercially exploit customer information. Partners must strictly comply with India's Digital Personal Data Protection (DPDP) Act and privacy regulations.

22. DATA SECURITY

22.1 Partners must implement robust technical and operational measures against unauthorized access, leaks, malware, or credential compromise, and report breaches immediately.

PART G — OFF-PLATFORM DIVERSION & BYPASS

23. CUSTOMER BYPASS & FEE CIRCUMVENTION

23.1 Partners shall not deliberately circumvent EZY1 platform fees by redirecting customer introductions off-platform, soliciting cancellations for cash payments, or manipulating transaction records.

23.2 Circumvention constitutes a material breach resulting in immediate account termination, forfeiture of pending payouts, and liability for compensatory damages.

PART H — PLATFORM RULES & INTELLECTUAL PROPERTY

24. ACCOUNT INTEGRITY & SECURITY

24.1 Partners must safeguard account credentials, enable multi-factor security where available, and never sell or transfer account ownership without written approval.

25. PROHIBITED MANIPULATION

25.1 Partners must not generate fake orders, fabricate reviews, manipulate ratings, exploit promotional coupons, scrape platform data, or inject malicious code.

26. INTELLECTUAL PROPERTY

26.1 EZY1 owns all exclusive rights to its trademarks, brand assets, software, algorithms, applications, portals, databases, and UI designs.

27. PARTNER CONTENT LICENCE

27.1 The Partner grants EZY1 a non-exclusive, royalty-free, worldwide licence to display, format, and promote Partner content (logos, menus, photos, descriptions) across EZY1 channels.

PART I — CATEGORY-SPECIFIC TERMS

28. HOSPITALS & CLINICAL ESTABLISHMENTS

Hospital Partners must maintain clinical establishment registrations, biomedical waste compliance, NABH/statutory norms, emergency protocols, qualified medical staff, and professional indemnity insurance. Clinical decisions and patient care remain the sole responsibility of the hospital; EZY1 does not practice medicine.

29. DOCTORS & MEDICAL PRACTITIONERS

Doctor Partners must maintain active State/National Medical Council registrations. Consultations, diagnoses, and prescriptions must adhere to Telemedicine Practice Guidelines and statutory ethical codes.

30. NURSES & HOME NURSING

Nursing providers must ensure registered nursing staff with verified clinical credentials and adherence to patient safety protocols.

31. PHYSIOTHERAPISTS & REHABILITATION

Providers must hold recognized physiotherapy qualifications, maintain documented treatment plans, and ensure informed patient consent.

32. PHARMACIES & MEDICAL STORES

Pharmacy Partners must hold valid Form 20/21 drug licences, dispense Schedule H/X drugs strictly against valid registered prescriptions, ensure cold-chain integrity, and maintain statutory batch/expiry logs.

33. DIAGNOSTIC LABORATORIES

Labs must hold NABL/statutory accreditations, utilize calibrated diagnostic equipment, employ qualified pathologists/microbiologists, and deliver authenticated test reports.

34. AMBULANCE & PATIENT TRANSPORT

Ambulance Partners must maintain commercial fitness permits, AIS-125 compliance, life-support equipment, trained EMT personnel, and valid comprehensive insurance.

35. MEDICAL TRANSPORT SERVICES

Providers must disclose vehicle type, accessibility equipment (wheelchair ramps, oxygen support), waiting fees, and clear emergency/non-emergency categorization.

36. TAXI / CAB / DRIVER PARTNERS

Drivers must possess valid commercial driving licences (PSV badge where applicable), vehicle commercial permits, valid fitness/PUC certificates, and comprehensive commercial passenger insurance, adhering strictly to the Motor Vehicles Act, 1988.

37. BUS OPERATORS

Bus Partners must hold state stage/contract carriage permits, passenger insurance, speed governors, emergency exits, and maintain transparent ticketing/schedules.

38. TRAVEL AGENCIES

Agencies must provide detailed itineraries, explicit inclusions/exclusions, transparent tax breakdowns, clear cancellation schedules, and never guarantee visa issuances.

39. TOUR OPERATORS

Operators must furnish verified destination itineraries, certified accommodation, transport safety, and secure all local forest/monument permits.

40. HOTELS, HOMESTAYS & ACCOMMODATION

Accommodation Partners must hold local municipal/police permissions, maintain guest registers (Form C for foreign nationals where required), ensure guest safety, and honour confirmed bookings.

41. RESTAURANTS, CAFÉS & FOOD OUTLETS

Food Partners must hold active FSSAI licences, maintain strict kitchen hygiene, disclose allergen warnings, ensure tamper-evident food packaging, and provide accurate menus.

42. FOOD DELIVERY PARTNERS

Delivery personnel must use insulated delivery bags, adhere to food-handling hygiene, avoid tampering, ensure timely delivery, and respect customer privacy.

43. CATERING BUSINESSES

Caterers must specify exact menu quantities, serving staff ratios, hygiene protocols, setup requirements, and cancellation terms.

44. GROCERY STORES & SUPERMARKETS

Grocery Partners must guarantee fresh stock, comply with Legal Metrology packaging rules, clearly display MRP, and obtain consent before item substitutions.

45. FRUIT AND VEGETABLE VENDORS

Vendors must represent accurate weights, grades, and prices. Natural agricultural variations must not be misrepresented.

46. TOY STORES & CHILDREN'S GOODS

Toy Partners must sell only BIS-certified (IS 9873) safe toys with clear age recommendations and safety hazard warnings.

47. GIFT SHOPS

Gift vendors must disclose exact material composition, customization turnaround times, secure packaging, and return/exchange criteria.

48. JEWELLERY & ORNAMENT MERCHANTS

Jewellery Partners must comply with mandatory BIS Hallmarking for gold/silver, provide authentic gemstone certification, and declare net weight/purity.

49. CLOTHING & FASHION MERCHANTS

Vendors must provide accurate sizing charts, fabric composition details, wash-care instructions, and transparent return/exchange terms.

50. ELECTRONICS & APPLIANCE MERCHANTS

Sellers must provide genuine OEM products with manufacturer warranties, BIS/EPR compliance, specifications, and accessories.

51. MECHANICS & AUTOMOBILE WORKSHOPS

Workshops must provide upfront diagnostic estimates, genuine spare parts disclosure, labour rates, and obtain explicit customer approval before undertaking extra repairs.

52. PLUMBERS

Plumbers must provide reasonable upfront quotes, utilize quality ISI-marked fittings, protect client property, and leave work areas tidy.

53. ELECTRICIANS

Electricians must hold certified wireman/supervisor licences where required, adhere to Indian Electricity Rules, use fire-retardant materials, and never bypass safety breakers.

54. CARPENTERS, PAINTERS & CONTRACTORS

Contractors must provide written material specifications, timelines, milestone-based payment schedules, and surface protection measures.

55. CLEANING & PEST CONTROL SERVICES

Providers must use CIB&RC approved eco-friendly chemicals, deploy trained staff with PPE, and protect customer furnishings.

56. MAID & DOMESTIC HOME SERVICES

Agencies must conduct identity checks, background/police verification, ensure dignified labour practices, and maintain incident-reporting protocols.

57. BEAUTY, SALON & SPA SERVICES

Beauticians must maintain sterilized equipment, single-use disposables, patch-test procedures for cosmetics, and disclose transparent service menus.

58. PAAN SHOPS & TOBACCO-RELATED RETAILERS

Such retailers must strictly adhere to COTPA regulations, enforce absolute prohibition of sales to minors (under 18), display statutory health warnings, and list only legally permitted non-prohibited products.

59. LOCAL VENDORS & ARTISANS

Local artisans, florists, stationers, and craftsmen must maintain authentic workmanship, honest weights/measures, and transparent pricing.

60. LOCAL PLACES, MONUMENTS & ATTRACTIONS

Listing of public attractions, heritage monuments, and parks is informational. Unaffiliated entities are not portrayed as commercial partners.

61. TOUR GUIDES

Guides must possess Ministry of Tourism or local state authorization, display official ID badges, and conduct tours respectfully.

62. DIGITAL SERVICE PROVIDERS & IT AGENCIES

Software developers, designers, and digital marketers must deliver agreed source code, protect client IP, maintain NDA confidentiality, and deliver verified milestone deliverables.

63. FREELANCERS & PROFESSIONAL CONSULTANTS

Consultants must operate within their lawful domain of competence, disclose clear scope, revision policies, and professional disclaimers.

PART J — DELIVERY, LOGISTICS & FULFILMENT

64. DELIVERY PARTNERS

64.1 Delivery partners must deliver packages intact, collect digital proof of delivery (OTP/signature), maintain route discipline, and protect customer contact data.

65. LOST OR DAMAGED GOODS

65.1 Liability for transit damage or missing packages is allocated based on physical custody, packaging adequacy, transit inspection records, and applicable commercial terms.

PART K — REFUNDS & CUSTOMER PROTECTION

66. REFUND PRINCIPLES

66.1 Where order failure, wrong item delivery, defective service, or merchant cancellation is attributable to the Partner, EZY1 may process a full customer refund and debit the Partner account.

67. DISPUTED REFUNDS

67.1 Disputed refund requests will be investigated by EZY1 based on order logs, photographic evidence, and merchant responses.

68. CONSUMER PROTECTION COMPLIANCE

68.1 This Agreement complies with the Consumer Protection Act, 2019 and E-Commerce Rules, 2020. Mandatory consumer rights cannot be unlawfully waived.

PART L — REVIEWS & RATINGS

69. REVIEWS INTEGRITY

69.1 Partners must not fabricate fake positive reviews, coerce customers, or retaliate against negative reviewers. EZY1 reserves the right to moderate and remove manipulated reviews.

PART M — FRAUD PREVENTION & INVESTIGATIONS

70. PROHIBITED FRAUDULENT CONDUCT

70.1 Strictly prohibited actions include: fictitious orders, self-ordering for artificial volume, payment laundering, coupon manipulation, forged documentation, and intentional fee evasion.

71. INVESTIGATION PROTOCOLS

71.1 EZY1 may freeze account actions and hold suspicious funds during active investigations, requiring the Partner to furnish invoices and tax records within 48 hours.

PART N — PARTNER PERFORMANCE & TIERS

72. PERFORMANCE METRICS

72.1 EZY1 monitors order fulfilment rates, on-time arrivals, cancellation frequencies, customer ratings, and resolution response times.

73. PARTNER TIERS

73.1 Partners may achieve Standard, Verified, Preferred, Premium, or Enterprise Partner tiers based on verified quality and sustained customer satisfaction.

PART O — SUSPENSION & APPEALS

74. PROGRESSIVE WARNINGS

74.1 Minor deviations result in formal correction notices and mandatory remediation deadlines.

75. TEMPORARY SUSPENSION

75.1 Unresolved complaints, expired licences, or repeated cancellations lead to temporary suspension.

76. IMMEDIATE RESTRICTION

76.1 Severe fraud, gross safety violations, counterfeit products, or criminal allegations result in instant platform blacklisting.

77. DUE PROCESS

77.1 Temporary restriction during investigation is a protective measure and does not constitute a final finding of liability.

78. APPEALS PROCESS

78.1 Partners may lodge an appeal via the Partner Portal with supporting documentation for review by the EZY1 Compliance Committee.

PART P — TERMINATION & EXIT

79. VOLUNTARY TERMINATION

79.1 Partners may terminate their account with 30 days' written notice, subject to fulfilling all pending orders and settling outstanding financial balances.

80. TERMINATION FOR CAUSE

80.1 EZY1 may terminate immediately for material breach, insolvency, fraud, regulatory cancellation of licence, or severe safety default.

81. POST-TERMINATION EFFECTS

81.1 Upon termination, listings are deactivated, final reconciliation is completed within 45 days, and surviving clauses remain enforceable.

PART Q — LIABILITY & INDEMNIFICATION

82. PARTNER RESPONSIBILITY

82.1 Partners are fully liable for their products, clinical actions, services, staff, statutory taxes, and compliance.

83. INDEMNIFICATION COVENANT

83.1 The Partner agrees to indemnify, defend, and hold harmless EZY1, its directors, officers, and employees against any third-party claims, fines, liabilities, or legal expenses arising from the Partner's breach of law, product defects, negligence, IP infringement, or fraudulent conduct.

84. EZY1 LIMITATION OF LIABILITY

84.1 To the maximum extent permitted by law, EZY1 shall not be liable for indirect, incidental, or consequential damages, or third-party service interruptions.

PART R — INSURANCE

85. MANDATORY INSURANCE

85.1 Partners operating in high-risk domains (hospitals, transport, adventure tourism, construction, medical services) must maintain adequate commercial general liability, professional indemnity, or motor vehicle insurance.

PART S — TAX & STATUTORY COMPLIANCE

86. TAXATION OBLIGATIONS

86.1 The Partner is solely responsible for filing and paying GST, Income Tax, and local levies. EZY1 will deduct TCS under GST and TDS under Income Tax as mandated by Indian statute.

87. LABOUR & WORKFORCE COMPLIANCE

87.1 Partners employing staff must strictly comply with minimum wages, EPF, ESIC, occupational safety, and labour codes.

PART T — CONFIDENTIALITY

88. PROTECTION OF PROPRIETARY INFORMATION

88.1 Partners must hold all non-public technical, commercial, algorithmic, and financial information of EZY1 in strict confidence.

PART U — ADVERTISING & PROMOTIONS

89. OPTIONAL MARKETING SERVICES

89.1 Partners may opt into sponsored listings, banner ads, and discount campaigns under transparent promotional rate cards.

PART V — PLATFORM GOVERNANCE

90. PLATFORM MODERATION

90.1 EZY1 retains the right to curate listings, correct errors, and remove unlawful or hazardous content.

91. SYSTEM MODIFICATIONS

91.1 EZY1 continuously upgrades its technological features and will notify Partners of major interface changes.

PART W — DISPUTE RESOLUTION & GOVERNING LAW

92. AMICABLE RESOLUTION

92.1 The parties agree to resolve any dispute through good-faith executive escalation within 30 days.

93. ARBITRATION & COURTS

93.1 Unresolved disputes may be referred to binding arbitration under the Arbitration and Conciliation Act, 1996 in India.

94. GOVERNING LAW

94.1 This Agreement is governed by the laws of the Republic of India, subject to the exclusive jurisdiction of the competent courts of the Company's registered office.

PART X — FORCE MAJEURE

95. UNFORESEEN EVENTS

95.1 Neither party shall be liable for failure to perform due to acts of God, war, pandemic, grid outages, or widespread internet disruptions.

PART Y — SPECIAL HIGH-RISK CATEGORIES

96. ENHANCED DUE DILIGENCE

96.1 Specialized verification protocols apply to healthcare, pharmaceuticals, passenger transport, childcare, and financial products.
